Admin, SANTIAGO CANYON  
College CIO  
SANTIAGO CANYON

Dear Colleague:

In compliance with California Education Code section 70901 and California Code of Regulations, Title 5, Subchapter 2. Approval by the Chancellor, the California Community Colleges Chancellor's Office Academic Affairs Division has reviewed and approved the following instructional program:

**CURRICULUM INVENTORY RECORD**

**College:** SANTIAGO CANYON 873

**Credit Status:** Noncredit

**Program Title:** Introduction to Artificial Intelligence (AI) in the Workforce, COM

**Program Award:** Noncredit program

**Program Control Number:** 44233

**TOP Code:** 4930.12

**Program Goal:** Local (all other AA/AS and BA/BS degrees or certificates not in a CTE TOP Code)

For a program to be recognized by the U.S. Department of Education, the Accrediting Commission for Community and Junior Colleges/Western Association of Schools and Colleges (ACCJC/WASC) must approve the program as a substantive change. Once a program is approved by the California Community Colleges Chancellor's Office (CCCCO), colleges must follow these steps outlined in the ACCJC Manual ([www.accjc.org](http://www.accjc.org)). Please note: colleges are not eligible to collect state apportionment or federal support for granting this award without first receiving approval from the Chancellor's Office and the ACCJC.

For questions regarding this review please submit your questions to [curriculum@cccco.edu](mailto:curriculum@cccco.edu).

Sincerely,

***Academic Affairs***

California Community Colleges Chancellor's Office
